Not made  
with BPA

## **Key features at a glance**

- Express-Store-Feed
- Single Use
- Sterile or Ready-to-Use
- Compatible with all Ardo pumpsets
- Four sizes: 50 ml, 80 ml, 120 ml, 250 ml

\* Ready-to-Use: The high temperatures used in the production process mean that the disposable bottles have a high level of cleanliness. Immediately after production the bottles are sealed with the lid, which ensures that their cleanliness is maintained until use.
